

TACKLE FLAMES AND SMOKE: Lawrence volunteer firemen are shown battling the blazing farm home of Mr. and Mrs. Waldo Dick southeast of the village which was badly damaged by the flames Friday evening. The fire, caused by defective wiring, was discovered by the Dicks at 9:15 p. m. Friday. Total loss, which included an heirloom Kimball organ that had been in the family more than 100 years, was estimated at about \$5,000. (Buskirk Photo)

Rollan Jones was late getting home. Come to find out he stopped to help put out a fire at the home of a neighbor. He even made the newspaper.

The biggest loss to him was his favorite leather bomber jacket. We just couldn't get the smoke smell out of it.
