Hi all.

This is going to be just
a note to let you know I
got your letter and package.
Thanks a million. I hope
everyone is in tiptop shape.
As I am. I also want to
tell you not to put q on
my letters any more. But
you will put sq on them
from now on. Got that?

I'm leaving on a trip
around the 16th of this mon
(June). I'll be gone for about
six mon but I'll write often
over.

I'm going to leave my Civics with Donald and my radio too then I'll send the rest of my stuff home.

I was hoping I could send you some money this pay. but I have to buy some gear to take along. I'm making more mistakes than anything else.

If you want to get Don. out you will have to get the Red Cross to witness your hardship and maybe if you will write to the state senator it will speed things up a lot. then when you're ready, have Donald put in for a hardship discharge. I think it will work. but you have

to work through. the red Cross
 and get a letter from the
 Doc. If you ever get snowed
 let me know and maybe
 I can help or tell you what
 to do. Tell Butch I'll send
 him a letter from Italy.
 and dont ~~worry~~ worry about
 me. Its just routine.
 and get right to work on
 Donald.

Well I'll close for now
 and write more next time
 address is the same if you
 hurry.

Love.

Lonny.
