DETROIT 26, MICH.

Kalamazoo, Michigan.

9 December 1946

Mr. Rollan LeRoy Jones:  
R.R.#1,  
Lawrence, Michigan.

Dear Sir:

The Detroit office has informed me that you were temporarily rejected for enlistment in the U.S. Marine Corps by reason of a skin infection.

They also informed me that you are a desirable applicant and can be accepted after the above complaint has been cleared.

Your application is being held at Detroit and you are requested to inform me as to when you will again wish transportation to Detroit.

As you will probably wish to be at home during the holidays, will you set a date in January (preferably a Monday) to enable me to make the necessary arrangements.

An envelope needing no stamp has been enclosed for the above stated purpose.

Sincerely

*Ernest Crocker, Jr.*
